FLOOR DISPLAY

Facing: 168 colors

Dimensioni: l 60 x p 31 x h 170

Code: 300C094B

DISPLAY CONFIGURATION

Each shelf is removable and can be repositioned at different heights on the display unit's shelf support rails. The way each shelf is set up can be changed by substituting the internal racks (you can choose to have all bubbles and crazy crystals or all nail art). Replacement racks and shelf are located under the bottom products shelf.
