fall / winter 2015/16

Tendenza, Innovazione ,Originalità ma anche tanto Confort, Queste sono le parole chiave della prossima Collezione Relish Jeans fw-15-16.

Una collezione studiata tutta su misura nella scelta dei tessuti, nelle vestibilità, nei lavaggi e nella cura dei dettagli per la nuova donna Relish , dal mood Sofisticato, Rock ma dall'impronta Romantica.

-**Lavaggi** basic ma preziosi si affiancano a quelli marmorizzati ,piccole rotture e rammendi fanno la differenza,effetti tridimensionali e stampe spiccano nella parte "special" della denim collection.

-**Vestibilità** regolari ,slim ,ultra slim ,push-up e boy-fit vengono riproposti vincenti e innotavi,ma i riflettori vengono puntati anche sul nuovo tasconato ,sullo slim zippato sulle ginocchia e sul nuovo zampa, dal lavaggio pulito e dal mood elegante.

Novità anche nelle salopette che aderiscono alle forme del corpo nelle due varianti,blu e black .

Di gran scena la gonna a pieghe anni 50, proposta in chiave romantic-rock,denim nero ,inserti in pelle,stringhe ma anche sottogonna in tulle;

un look affiancato dalla camicia denim fermo nero,lavaggio vintage ma linea avvitata e femminile e dal nuovo giubbino zippato con inserti placcati neri effetto manopelle.

-**Tessuti** in vari pesi ,stretch e confort e l'inserimento del nuovo superstretch con effetto "recall",altissima elasticità,estremo confort e rientro garantito.

In fine una parte dedicata tutta al dettaglio che va a spiccare sulle tele denim tra "pop" patch e ricami di stelle e farfalle .

La donna Relish Jeans ama distinguersi e ogni capo viene minuziosamente personalizzato nella nuova Collezione Black &Gold...
